

Crimsafe Classic

Featuring 0.9mm mesh

The new benchmark in security screens offering famous Crimsafe strength with smoother, cleaner lines.

Protect your family and your property with Crimsafe Classic, the new benchmark in security screens offering the renowned strength of Crimsafe, with smoother, cleaner lines. Reinforced with the proven strength of carbon fibre, the exclusive CF6 Screw-Clamp™ bites down on the stainless steel mesh on impact with a vice-like grip. This is why Crimsafe Classic can withstand an impact that is five times stronger than the level required by the Australian Standard.

With Crimsafe Classic, there's no need to compromise on looks to achieve high-performance security. This newly-engineered frame, with no visible screws, fits seamlessly into any home or lifestyle, enhancing the look of your doors and windows. Your choice of quality, powder-coated colours or timber-look frames, completes the high-quality finish that sets Crimsafe apart.

Crimsafe Classic comes with the assurance and peace-of-mind of a 12-year extended warranty.

The Crimsafe Classic Profile

304 structural-grade stainless steel mesh

Exclusive Screw-Clamp™ fastening system

0.9mm mesh

Up to 5 x stronger than the Australian Standard*
