

Crimsafe iQ

Featuring 0.9mm mesh

Australia's strongest, smartest, most technologically advanced mesh security screen door.

As Australia's strongest, smartest, most technologically advanced mesh security screen door, Crimsafe iQ delivers unrivalled protection for your family, home or business. Years of research and development has culminated in a security screen door that has passed the toughest, most rigorous burglar-resistance test in the world – the RC2 Test; a test far more stringent than Australian Standards. In fact, Crimsafe iQ is now officially the strongest stainless steel security screen door in Australia.

Crimsafe iQ is reinforced with more locking points than other Crimsafe security screen doors and features anti-crowbar heavy-duty hinges, anti-lift pins and a wider, stronger frame. With the choice of a mechanical (iQ-m) or electronic (iQ-e) locking options, Crimsafe iQ provides maximum security, convenience and flexibility. The iQ-m door features five individual lock modules, providing ten-point locking and a mechanical lock. The iQ-e door features three lock modules, providing six-point locking system and electronic access options including keypad, Bluetooth and key fob.

Crimsafe iQ comes with the assurance and peace-of-mind of a 15-year extended warranty.

The Crimsafe iQ Profile

304 structural-grade stainless steel mesh

Exclusive Screw-Clamp™ fastening system

0.9mm mesh

Up to 7 x stronger than the Australian Standard*
